

REMARKS

The Notice to Comply dated February 20, 2009 has been received and reviewed. The Notice to Comply indicates that the sequence listing submitted with Applicants' response dated December 24, 2008 fails to comply with 37 CFR 1.821-1.825. Applicants submit herewith an amendment to the Specification correcting the errors indentified in the Notice to Comply. Applicants affirm that the amended sequence listing on the computer readable form is identical to the written (paper) sequence listing attached to this response. Applicants further state that the amended sequence listing includes no new matter.

All outstanding objections and rejections are believed to have been met and overcome. If a telephonic conference with Applicants' undersigned representative would be useful in advancing the prosecution of the present application, the Examiner is invited to contact the undersigned at (651) 733-2180. A notice of allowance for all pending claims is respectfully solicited.

Respectfully submitted,
